The Larry Martin Boys' and Girls' 3200m Runs

The Bill Newcomb Boys' and Girls' Pole Vaults

The Ed Daniels Boys' and Girls' Discus

We are all indebted to and grateful for the contributions of Rich Nagy, Ed Daniels, Al Halpern, Larry Martin and Bill Newcomb. Throughout their many years of coaching, they impacted hundreds of young men and women, guiding them to excel in their athletic and academic careers. Most importantly, far beyond the athletic fields and the school house, these individuals were teaching adolescents how to be productive, caring and successful adults, able to be good family members, valuable employees and citizens who would impact their communities in a positive way.
